## **General Data Protection Regulation**

### **(GDPR)**

The General Data Protection regulation (GDPR) is the new law that will come into effect on 25<sup>th</sup> May 2018. GDPR gives every business including Clubs a new set of obligations and every member/employee strengthened rights regarding their data.

### **Like everyone else we have to update our systems to comply**

Your Club will never give your personal data away to any unauthorised Third Parties. We are however a WMCIU Affiliated Club and some data will need to be processed by them on our behalf e.g. name and address details for Club Journal distribution etc.

### **You're Rights**

You have the right to access all of your personal data, rectify anything that's inaccurate and object to it being processed in certain circumstances, or completely erase all of your personal data if you leave the Club. Each request will be dealt within one month of receipt and carried out free of charge.
